**Nature Camp: Monday-Friday
 9:00 am – 1:30 pm**

Nature camp provides children with up close, hands on nature education in the beautiful environment of the Cibolo Nature Center. Campers will explore the whole park while they participate in a nature education curriculum designed by certified science teachers. Campers will leave only their footprints on the ground and their smiles in the hearts of their counselors. They will take with them summer camp memories that will last forever.

**Art Camp: Monday-Friday
 1:30 - 4:30 pm**

Art Camp represents one of the best investments you can make in your child's summer! Campers will spend time outside learning to see the beauty of nature and develop artworks based on their discoveries. Each session will provide a comfortable, creative and fun environment for students to develop new techniques and skills while learning to express themselves through art. Class size is limited to 20 for individual attention. On Fridays, family and friends are invited to view an exhibition of the artworks that were created throughout the week.

NATURE CAMP 2012 DESCRIPTIONS

Nature Camp

Week One – June 11-15

Creek Week

We speak for the creek! Summer camp starts off with a week of adventure designed to show campers how to find nature, share what they have learned and develop a lifelong interest in going outside to play! Bring your swim suits and water shoes for adventures at Cibolo Creek. Be on the lookout for Greenman!

Week two – June 18-22

Things with Wings

Look up there! Join us as we explore the nature of things that fly. Let's discover the world of insects and birds during this week of camp. Campers will be introduced to birding and get a look way up close with binoculars to observe how birds survive. Then grab an insect net as we head to the prairie for an insect hunt adventure!

Week Three – June 25-29

Rowdy Reptiles

Our friend Pete Mimikos will be back to show us the world of snakes! Is your attention captured by snakes? Do you chase turtles into your tank and find lizards every time you go outside? Whether you are an expert tracker of such or a beginner looking to explore, come have fun in the sun and learn about the world of reptiles.

Week Four – July 9-13

Something's Fishy

Bring your swim suits and water shoes for fishing adventures at the Cibolo Creek. Come learn about how to be kind and ethical as your fish Texas and spend time everyday practicing what you have learned on the creek. Enter the second annual camp kid-fish tournament and let's see who can catch the longest fish! It is catch and release fishing only at the Cibolo so we will let them go on their happy way to be caught another day.

Week Five – July 16-20

Cibolo Native Americans

The Cibolo Creek is rich in Native American history. This camp week will be dedicated to celebrating how the Native Americans lived and learned from the land. Go back in time and let the Native Americans be your guide to the hill country.

Week Six – June 23-27

Race for the Creek

On your marks, get set, GO! Brand new for the summer of 2012- we offer a week of Cibolo Nature Olympics! Step right up and learn the value of games and how they are used in our society to teach life skills, develop team work and enjoy nature. Come join the spirit of this high energy week of camp. Bring your swimsuits and water shoes as we race for the creek!

Week Seven – July 30-August 3

It IS Easy Bring Green

The world changes around us every day so let's be a BIG part of it and learn how to protect it. Campers get ready and come out to the nature center for a week of being green! You might just see Greenman himself if you look carefully. Learn about the impact that our footprints leave on the Earth and find out how to make yours the most positive one possible.

ART CAMP 2012 DESCRIPTIONS

Art Camp

Week One – June 11-15

Color Kaleidoscope

Let color be your inspiration while exploring line and design in nature! Express your artistic spirit in bold or delicate colors using paint, pastel, colored pencil and a wide variety of materials.

Week Two – June 18-22

Paper, Prints, Books and Boxes

Making paper is an exciting way to combine nature and art! Using natural textures in paper will provide hours of fun while we create prints, books and boxes. Explore the techniques used for centuries while incorporating your own creative ideas.

Week Three – June 25-29

Exploring Textures in Texas

Create fun forms using fabulous nature examples as your inspiration! See how nature's textures can be fundamental in visual art. Learn how to shade, blend and draw texture in your paintings, collages, mixed media pieces and prints.

Week Four – July 9-13

What's Your View?

This is your week to express yourself! Campers will learn how words and images can showcase their artistic ideas. Your handmade journal, self-portraits and mixed media works will be lasting memories that you can keep and share.

Week Five – July 16-20

Discovery-Scapes

Throughout time artists have been drawn to nature. Exploring the landscapes at the Cibolo Nature Center will provide just a few of the ways to express your ideas. Let your creativity be your guide as we paint, print, draw, collage and experiment!

Week Six – July 23 – July 27

Deep in the Art of Texas

Let's go campers! Bluebonnets, buffalo, armadillos and longhorns are Texas icons. Get ready to work in a variety of media while celebrating the many styles associated with Texas artists.

Week Seven – July 30- August 3

Collage, Create, Combine!

Create colorful collages and three-dimensional objects using paper, paints, photographs, fabric and found objects. This week campers will construct, assemble and collage. Come and explore new materials and fun techniques.
